

**County of York, Virginia**  
**Department of Environmental Development Services**  
**Division of Waste Management**  
January 28, 2005

**BFI AUTOMATED SERVICE SCHEDULE**

The following areas will begin transitioning to the automated collection process as scheduled below throughout the month of February. Once you have received your second toter if requested, please remember that **ALL MATERIALS SHOULD BE PLACED INSIDE THE CONTAINERS** to ensure collection.

Beginning MARCH 1, 2005, ALL CUSTOMERS should be incorporated into the automated service and **BFI will not collect ANY MATERIAL** outside the containers after that date, excluding bulk items that are called in one week prior to your collection day.
